620 C

620 C

The Olympic 620 C is a cabin boat loaded with dazzling quality features. It has been designed for both leisure and fishing in mind, capable to withstand rough sea conditions.

Its hull design allows the 620 C to grab the water better and achieve tighter cornering with a precise handling. The ergonomically designed helm station features a steering wheel and an instrument panel with woodgrain accent, a 12V socket, as well as a membrane control panel.

The boat offers a spacious cabin and plenty of storage space. Moreover, the 620 C can be customized to your needs with lot of optional amenities available, such as an alcohol stove, refrigerator, pressurized water system with faucet and transom shower, table, toilet and an extension of the aft lounge that easily converts to a sun pad for two to relax and enjoy the sun.

Olympic 620 C: the ideal choice for overnight excursions and fishing.
