The new Olympic 520 BR surprises with its dynamic and modern design, having an intense, sport character.

Similarly to the successful twin model, the Olympic 520 CC, on which it was based, the Olympic 520 BR is capable to navigate with you under calm and harsh conditions with comfort and safety, thanks to the carefully designed V-hull.

Moreover, its finish, rich standard equipment, ample storage space and its ergonomical design, will satisfy even the most demanding.

Olympic 520 BR. Dynamic character.

Swivel seats, side shelves for small things, beverage holders, grab handles and deck lights are only some of the features that make the 520 BR a unique boat in its category. ▶

◀ The console offers adequate visibility, thanks to its non-glare surface. The ergonomic design is completed by high quality materials, inox beverage holders and burl wood trim panel.

For the co-driver who wants to enjoy a ride with Olympic 520 BR, we have foreseen a comfortable seat, beverage or coffee holder, glove box for personal items and a handle for strong winds. ▼

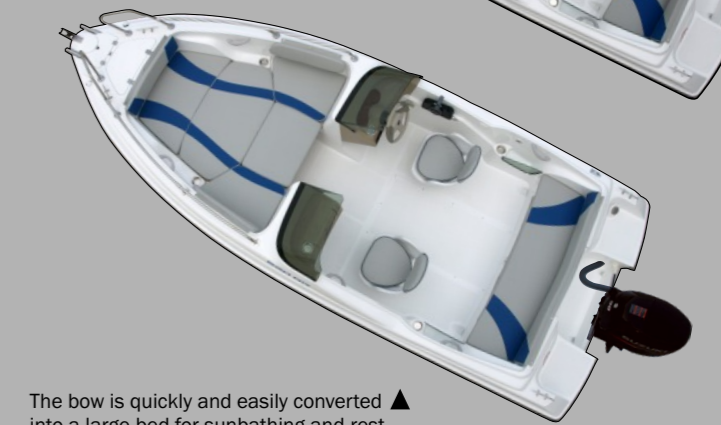

For even more comfort and luxury add the cushion sets from marine grade vinyls (optional equipment). ▼

▲ The foldable ladder at the bow offers quick and easy access to the beach. At the same time, it can be smartly hidden when not in use.

The design of the bow has been emphasized in ergonomomy and comfort, both during travel as well as while fishing. Under the seats additional storage compartments with locking option are available. ▶

The bow is quickly and easily converted ▲ into a large bed for sunbathing and rest (optional equipment).
