520 C

The Olympic 520 C is an excellent combination of a fishing and a family boat, with impeccable design and specifications.

Its carefully designed deep-V hull makes it possible to travel under harsh conditions, without spray and with maximum safety possible. Strong and trustworthy, the 520 C lets you enjoy the fun side of the sea.

The rich standard equipment of the boat includes, among other, safety-glass windshield, a 75lt fuel tank and swivel seats with cushions. You will also appreciate its innovative spirit and quality. Additionally, a 5-year hull warranty is supplied.

For you looking for a cabin boat in the small category, but with quality comparable with larger boats, the Olympic 520 C is your best choice for pleasant and safe days and nights in the sea.

▲ The high-quality, safety-glass windshield is part of the standard equipment and adds luxury, clarity and durability for a lifetime.

◀ The cockpit is described by quality, comfort, ergonomical design and ample visibility with sufficient space for electronic equipment. It is also framed with a wood-accented instrument panel and a stainless steel beverage holder.

▲ Comfortable and spacious, the aft couch hides underneath a large storage space, capable to hold anything necessary for a long journey.

◀ At the aft couch are also supplied grab handles, inox beverage holders, deck lights and handy side-shelves for your personal items.

The co-driver's side is equipped with a shelf, beverage holder and glove box with lock. ▼

▲ With the sliding and foldable bow ladder, getting on board from the beach becomes easy and harmless.

The large and cosy cabin in V-shape is coupled with comfortable cushions, a shelf and marine carpet, creating a warm atmosphere. An ideal environment for resting or sleeping. Also provides storage space. ►
