WELCOME TO ODENSE OPEN 2026

We are very much looking forward to once again welcoming you to Odense Open – and to bringing together players from both Denmark and abroad in the green and atmospheric surroundings of Ansgar Anlæg.

In 2026, Odense Open continues with the format that many already know and appreciate. We will of course continue the success with both double (Saturday) and triple (Sunday) on the programme. We will do our utmost to create the great atmosphere our tournament is known for.

We look forward to experiencing the park filled with life and concentration in a friendly setting once again. Odense Open brings together players of all levels for exciting matches and a strong sense of community across clubs and nationalities.
