## BOBLER

Glera

### **Prosecco, Dry, Asolo Veneto Italien**

*Som en frugtkurv, der eksploderer i hovedet på dig! Pærer, melon, fersken, grønne æbler, limefrugt og honning. Sprød og tør Prosecco med fin mousse og et snert af frugtsødme, der spiller godt til frugtsyren.*

75,- // 335,-

Riesling

### **Riesling, Loew, Alsace Frankrig, ØKO**

*Franskmændene bruger begrebet "avoir soif"...at være tørstig. Det er lige præcis, hvad denne sprøde og liflige Riesling fra Alsace er; en tørstslukker! Frugtig, mineralsk og mundvandsdrivende*

80,- // 360,-

Chardonnay

### **Chardonnay, Wageck, Pfalz Tyskland**

*Fyldig, fadpræget og grillet ananas med gule mirabeller og knuste sten, der har ligget i vandkanten. Tysk Chardonnay der smager som Bourgogne, der møder Californien*

90,- // 405,-

Sauvignon Blanc

### **Sancerre, P. Riffault, Loire Frankrig**

*Tomatstilk, hyldeblomst og stikkelsbær indhyllet i danske grønne Granny Smith-æbler, der med sin frugtsyre får mundvandet til at løbe i samme tempo som Ulvens tanker om den lille Rødhætte*

450,-

## ROSÉ

Grenache & Mouvedre

### **Rosé, Lafage, Roussillon Frankrig**

*Som sol og sommer hældt direkte på flaske. Jordbær og mango med frugtsødme uden at være sødlig. Læskende med medium fylde og en dansende delikat frugtsyre på tungen*

75,- // 335,-

Corvina m.fl.

### **Valpolicella, I Campi, Veneto Italien**

*Støvlelandets svar på en Alfa Romeo med tilpas bundtræk og italiensk design. Saftig og relativ let med modne kirsebær og mandelessens. Er du normalt til Pinot noir, mens vennerne måske foretrækker lidt mere power, så er det hér I kan mødes.*

80,- // 360,-

## RØD

Nebbiolo

### **Barolo, Massucco, Piemonte Italien**

*Moderne Barolo med meget behersket garvesyre. Lyse røde bær med hindbær indhyllet i viol og Piemontesisk elegance og længde. En af få Barolo'er der faktisk kan nydes både med og uden mad.*

## BUBBLES

Glera

### **Prosecco, Dry, Asolo Veneto Italien**

*Like a fruit basket exploding in your face! Pears, melon, peach, green apples, lime and honey. A crisp and dry Prosecco with a fine mousse and a hint of fruit sweetness that balances beautifully with the fresh acidity.*

75,- // 335,-

Riesling

### **Riesling, Loew, Alsace Frankrig, ØKO**

*The French use the expression "avoir soif"... to be thirsty. And that's exactly what this crisp and delightful Riesling from Alsace is: a thirst-quencher! Fruity, mineral and mouthwatering.*

80,- // 360,-

Chardonnay

### **Chardonnay, Wageck, Pfalz Tyskland**

*Full-bodied, oak-driven and bursting with grilled pineapple, yellow mirabelles and crushed stones from the water's edge. A German Chardonnay that tastes like Burgundy meeting California.*

90,- // 405,-

## WHITE

Sauvignon Blanc

### **Sancerre, P. Riffault, Loire Frankrig**

*Tomato leaf, elderflower and gooseberries wrapped in crisp green Granny Smith apples. With an acidity that makes your mouth water at the same pace as the wolf dreaming of Little Red Riding Hood.*

450,-

## ROSÉ

Grenache & Mouvedre

### **Rosé, Lafage, Roussillon Frankrig**

*Like sunshine and summer bottled. Strawberries and mango with fruity sweetness without being cloying. Refreshing, medium-bodied, with a delicate, dancing fruit acidity on the tongue.*

75,- // 335,-

## RED

Corvina m.fl.

### **Valpolicella , I Campi, Veneto Italien**

*The Netherlands' answer to an Alfa Romeo – with just the right punch and Italian flair. Juicy and relatively light, with ripe cherries and a hint of almond. If you usually go for Pinot Noir while your friends prefer a bit more power, this is where you'll meet in the middle.*

80,- // 360,-

Nebbiolo

### **Barolo, Massucco, Piemonte Italien**

*Modern Barolo with very restrained tannins. Bright red berries with raspberry, wrapped in violet notes and Piedmontese elegance and length. One of the few Barolos that can truly be enjoyed with or without food.*
