BIG SCREEN SUMMER @PAVILLON BEER GARDEN

Pavillon Beer Garden brings back the magic of summer 2024!

All summer long, Pavillon Beer Garden will be showing a wide range of major sporting events on the big screen in our beautiful courtyard in Fælledparken.

We kick things off Saturday, May 24th with the **Ice Hockey World Championship** and the thrilling showdown between Denmark and Switzerland – followed by the **Danish Superliga title decider** between FCK and FCN, and possibly the ice hockey final or bronze match on Sunday.

The following week features two huge matches: On Ascension Day, we'll be showing the Danish Cup Final between FCK and Silkeborg IF, and later that week, the Champions League Final between PSG and Inter hits the big screen.

In June, guests can look forward to the men's national team taking on Northern Ireland and Lithuania, as well as the UEFA Nations League Final Four – leading into the two biggest highlights of the summer for Danish fans:

The Euros are back! Pavillon Beer Garden will be screening both the Under-21 European Championship and the main event – Women's Euro 2025!

We'll wrap up the season with every major mountain stage of the Tour de France – let's go, Vingegaard!
