## Welcome to Pradus, your trusted provider for office and commercial cleaning services.

Pradus was formed as a business by a team of founders who are passionate about delivering excellence in business. Having worked in the same capacity in other businesses and delivered excellent results, we are highly motivated to deliver the same high standards of service in cleaning.

We pride ourselves on attention to details, dedication and clear efficiency, and we imbibe the same values in our staff and contractors.

With almost a decade of industry expertise and seasoned professionals, we ensure your offices are clean and provide a welcoming environment for you to conduct your business profitably.

## OUR ASSURANCES

-  Flexible Scheduling and Bespoke arrangements
-  Pre-Vetted Cleaning staff with background checks
-  Deep Cleaning Service Available

# Why work with PRADUS?

## Reliable and Confidential

Our services are confidential, safe and secure with strict adherence to security protocols. Our team of seasoned professionals understand privacy and efficiency in cleaning services.

## Flexible scheduling and excellent customer support

Pradus values all clients and as such provides premium customer support and resolution of concerns. We also ensure routine cleaning services fit into your schedule for your comfort.

## Competitive rates

We provide affordable services, tailored to suit your specific needs with high-quality experience and consistency. Our offer of customizable services applies to all spaces when requested.

## Wide range of services

Our broad range of services cover commercial cleaning, home cleaning, office cleaning, bar and pub cleaning and much more at your fingertips.

## Environmentally friendly and high-tech cleaning equipment

We understand the need to safeguard the environment, which is why we take extra precautionary measures in selecting our cleaning products. With tough stains, our high-tech equipment is able to restore the outlook of your space.

## Our Vision and Values

Our vision is to be the preferred partner for corporate businesses in the provision of Security and Cleaning Services in the UK. We believe the following values will aid us in realizing our vision;

### INTEGRITY AND HONESTY

We are committed to building our business on the strong foundation of integrity and honesty. We will tell you exactly as it is.

### POSITIVE AMBITION

We are ambitious and we motivate our staff to be very ambitious too. However, it is always positive ambition. We wouldn't take up more work than we can deliver!

### COMPLETE COMMITMENT

We want you to value our words. Once you hire us as your preferred service partner, we remain totally committed to playing our positive part in your success.

# Our Cleaning Services

## TESTIMONIALS ★★★★★

We've been using Pradus and their cleaning services since we moved into our office in February this year. The company has been fantastic from the start. Great customer service, super quick responses when needed and most importantly an excellent cleaning service and a very competitive price. We've never had a single issue and will continue to use them as our supplier.
