

# HARLEQUIN

The world dances on Harlequin floors®

**Harlequin Marine** was specially developed to meet Fire Ratings IMO FTP Code part 2 & 5 and Marine standards. It is a hardwearing and versatile vinyl dance and stage floor that is ideal for multi-purpose use on boats and ships.

Black

Homogeneous PVC with a fire resistant performance surface

## Harlequin Marine™

**Harlequin Marine** is extensively installed on cruise liners and conforms to marine standards and fire ratings. It's specified for permanent installation and is suitable for fitting within confined spaces on marine vessels and for scenery docks on cruise ships.

**Harlequin Marine** is also suitable for multi-purpose use, percussive dance including flamenco, Irish and tap, concerts, television, theatre and operatic performances.

**Harlequin Marine** is a hard-wearing, homogeneous PVC dance floor. It's fire resistant, with a slightly marbled surface to resist scuffing and hide marks. It can be laid on any hard, smooth sub-floor and is an excellent choice as the vinyl performance surface in conjunction with a Harlequin sprung floor.
