Data transfer cloud to LTO-tape.....	on request
LTO tape (capacity 12 TB) ⁽²⁾	€ 95,00
Secure storage for LTO-tape(s) ⁽³⁾	€ 15,00/tape/month
Restore out of archive ⁽⁴⁾	€ 75,00

⁽¹⁾ For all USB, Firewire & Thunderbolt discs with capacities smaller than 4TB.
Older formats require special connectivity, pricing will be adjusted accordingly.

⁽²⁾ Theoretical capacity, depending on how often data is written to tape.

⁽³⁾ LTO-tapes are stored in a 2-hour fire-retardant vault.

⁽⁴⁾ One restore per year is free of charge.

- By default data will be written to tape 2 times for redundancy and safety purposes. One tapeset is used as a "working set" for restore purposes, the other tapeset is used as a real "do not touch" archive and can be stored at an alternate location.
- One restore per year is free of charge.
- Feel free to get in touch with for large volumes and custom projects.
