

## Big Fat Snake - No peace in Heaven

Koret synger teksten markerede fed

The sun don't ever shine  
The sky ain't ever blue  
I am, looking out for you  
I'm talking in my sleep  
I'm calling out your name  
I know, it will always be the same

**Ain't got no peace like in heaven**  
(But I've got the blues) **Oooh Uhh**  
**Ain't got no peace like in heaven**  
Still I got the blues

And if you didn't lie  
And I knew what to do  
To try and make you  
Love me like I love you  
And since you've gone away  
And left me all alone  
I've been, hanging by the phone

**Ain't got no peace like in heaven**  
(But I've got the blues) **Oooh Uhh**  
**Ain't got no peace like in heaven**  
(Still I got the blues) **Oooh Uhh**

I know, I know that life goes on without  
you  
And time will show - that I can live  
without you  
Still i realise that time is tearing us apart

Guitar solo

**Ain't got no peace like in heaven**  
But I've got the blues **Oooh Uhh**  
**Ain't got no peace like in heaven**  
Still I got the blues

**Aint got no peace in heaven**  
**Oooh Uhh**

**Aint got no peace in heaven**  
**Oooh Uhh**

## Big Fat Snake - Animal

None is the number  
Night is the name  
The sun without a summer  
The feeling is shame

Man is so clever  
He can hardly breathe  
Man is so wise  
He can sail the sea

**I wanna be, I wanna be**  
**An animal**  
**I wanna be, I wanna be**  
**An animal**

I can hardly remember (**hardly remember**)  
What it feels to be (**feels to be**)  
Working as a journey man (**working as a**  
**journey man**)  
And getting my fee

I said man is indifferent (**man is**  
**indifferent**)  
He's running out of luck (**running,**  
**running**)  
His touch is unbearable (**touch is**  
**unbearable**)  
The key won't unlock)

**I wanna be, I wanna be**  
**An animal**  
**I wanna be, I wanna be**

**I wanna be, I wanna be**  
**An animal**  
**I wanna be, I wanna be**

solo

**I wanna be, I wanna be**  
**An animal**  
**I wanna be, I wanna be**  
**An animal**

**I wanna be, I wanna be**  
**I wanna be, I wanna be**  
**An animal**
