City and country info:

Show will be held in Skopje, capitol of the Republic of Macedonia.

Macedonia is located on Balkan Peninsula. Its continental country surrounded with land neighbors from all sides - Greece, Bulgaria, Serbia and Albania.

It's easy to come to the city of Skopje from all 4 sides:

- Skopje International Airport - 17 km from Skopje
- Belgrade Airport - Serbia / 430 km from Skopje, approximately 4 hours driving
- Sofia Airport - Bulgaria / 240 km from Skopje, approximately 3 hours driving
- Thessaloniki Airport - Greece / 230 km from Skopje, approximately 2:30 hours driving
- Durres port - Albania ( for people who will travel from South part of Italy ) / Bari - Durres by ferry - 9 hours / Durres - Skopje 300 km, approximately 3 hours driving.

In this period of the year is not very hard to find good and cheap accommodation in Skopje, even very close to the town center. Beside nice hotels we suggest to you to try finding some private apartments and houses which are more suitable for larger groups and families. Whatever you decide you will not be far away from the show ground because Skopje is with population of 600 000 citizens and is not large city.
