

# Accident

Our Group Accident and Personal Accident insurance solutions provide financial compensation for injuries caused by a sudden and accidental impact on the body, which results in provable injury or death. To be eligible for compensation, the permanent disability must be at least 5%.

For maximum convenience, our insurance solutions are flexible meaning you decide when they are active. Activate the insurance only during working hours, in your free time, or opt for full-time coverage.

Additionally, we typically include dental coverage in this insurance.

- Tailor-made and world-wide coverage
- Compensation for permanent disabilities above 5%
- Policies with large sums available
- Dangerous sports included
- Disability due to illness included
- Plans for individual employee groups available
