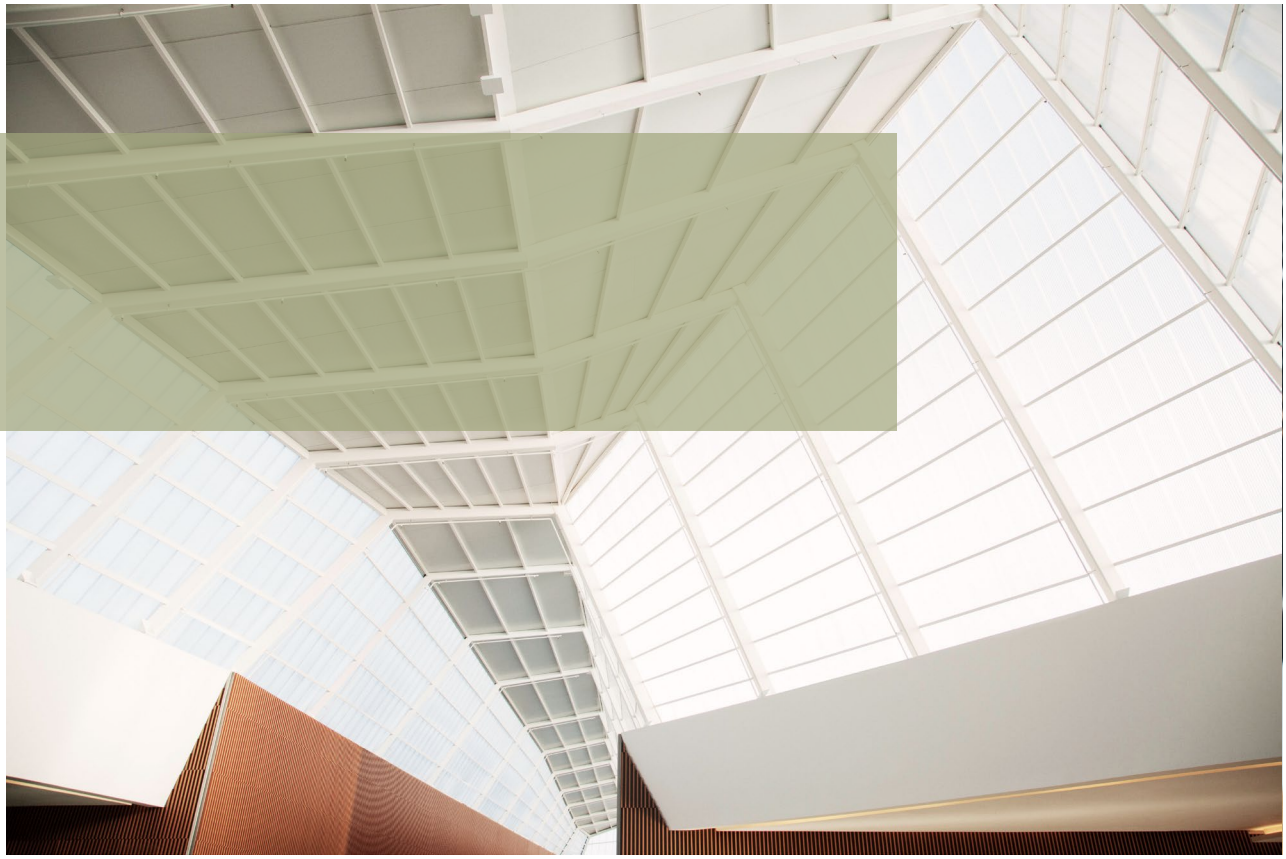
Property

Our Property insurance helps keep your business going in the event of a loss as either an all risk insurance or on a named perils basis.

As a standard, our services include both standard and client specific extensions. However, each policy can be tailored to meet specific needs and requirements.

Our solutions are offered to a wide range of client segments including offices, retail and wholesale, service companies, hotels, and manufacturing. For larger clients with international programs, we offer support as co-insurance, primary or excess, as well as re-insurance.



- Offered to Nordic domiciled clients with the ability to include activities abroad
- Wide appetite in terms of occupancy and capability to serve small and large clients either as 100 % solutions or in co-insurance with others as lead or follow
- Typical extensions include among others machinery breakdown including business interruption, short circuit, loss of rent, and houseowners liability
- Inquiries typically handled within 48 hours
