

Terrorism

Our Terrorism insurance covers damage to buildings and content caused by an act of terrorism.

The insurance is based on a wide definition of terrorism and it can be offered as a standalone insurance or in combination with our Property insurance. It can, moreover, be extended to include business interruption and loss of rent.

We offer both UK and Nordic language wordings.

- Offered as standalone or in addition to Property or other types of insurance
- Provides cover for damage to insured property as a consequence of an act of terrorism
- Optional cover for business interruption and loss of rent which often are excluded
- Covers Nordic and/or incidents abroad
- 100% solutions (limit), primary or excess, or as co-insurance
- Drop down and DIC/DIL to primary aggregated solutions
- Political violence can be offered as an extension
