UMBRELLA PROTECT

We believe protection advice goes hand-in-hand with arranging a mortgage, so we're referring you to our specialist protection partner, Umbrella Protect Ltd.

About Umbrella Protect

Umbrella Protect Ltd is an innovative, independent insurance intermediary. They have a team of advisers based across the UK. Established in 2015 by MD Anna Glod, they've quickly established themselves with a reputation for really getting to the heart of their customers' protection needs.

They're friendly, professional and extremely knowledgeable about all things protection, so we know you're in the very best hands.

Good financial protection planning is hugely important and having the right protection in place can have a positive impact during the hardest of times. Umbrella Protect advisers have access to a wide range of industry-leading insurance providers meaning the quality of cover they arrange for you is as good as the advice they give.

What they'll talk about...

LIFE COVER - which gives financial protection for your family in the event of your death. It can be paid as a lump sum to pay off a mortgage or other loans, or as an annual income to cover any ongoing expenses - depending on what your priorities are.

CRITICAL ILLNESS COVER - a lump sum or an annual income payable on the diagnosis of a specified critical illness or total permanent disability.

INCOME PROTECTION - a monthly benefit payable in case of incapacity to work due to an accident or illness.

They'll even discuss home insurance, private medical cover and business protection, if appropriate.

We're confident they can arrange cover that meets all your needs and they'll do it in line with your specific situation and budget.

And because Umbrella advisers know how busy lives can be, they're available at times to suit you. Evenings? No problem. The weekend? Yes.

What do you do next?

Nothing, just sit back and wait for your Umbrella Protect adviser to get in touch and take it from there.
