

# Don't miss the Lilly Symposium

## Chronic rheumatic diseases require persistent treatment options

12:00 - 13:00, Thursday 24<sup>th</sup> August,  
Congress Hall

*Grab some lunch from the congress buffet and bring it*

Eli Lilly welcomes you to a symposium focused on PsA & axSpA.

We are proud to present two prominent rheumatologists, Mikkel Østergaard and Lars Erik Vølund Kristensen, who will share their perspective on treatment of PsA & axSpA. The presentations will be a mixture of scientific data (RCT & RWE) and clinical cases.

### AGENDA

- PsA: Long-term efficacy data & RWE
- AxSpA: Effect on multiple domains - also in the long-term

Scan the QR code
