The Nominating Committee (NC) will consider nominations. The purpose of the NC is not to inhibit the delegates' choice of Officers and Chairs but to ensure that suitable nominations are made by the above or by the NC itself, that those nominated are willing to stand and, if there are too many nominations, to act as a preliminary filter.

Any question about the election procedure is to be sent to the Secretary-General (sg.iomp@gmail.com) or Vice-President (john.damilakis@med.uoc.gr) as chair of the Nominating Committee.
