E V E N T S

The Jewel in the crown of Italian restaurants

Signor Sassi Dubai, launched in September 2023, graces the prestigious St. Regis Dubai Gardens, Palm Jumeirah.

At Signor Sassi, we embrace the essence of Italian culture, celebrating its rich history and timeless elegance. With an exquisite blend of a classic Italian service, extraordinary cuisine and opulent interiors, Signor Sassi captures the true spirit of sophisticated dining.

The interior is a visual masterpiece that is inspired by the luxury villas and gardens surrounding Lake Como. The venue boasts a custom-made wine cellar, Venetian Murano inspired chandeliers and features a showstopping olive tree as the focal point of the dining room, beautifully complemented by lush greenery throughout, rich dark woods and soothing pastel tones.

The main dining room magically opens to reveal the beautiful Il Giardino di Sassi. Taking centre stage is a magnificent marble fountain creating a sense of grace and tranquillity. Surrounded by lush greenery and bathed in warm sunlight, Il Giardino di Sassi provides a picture-perfect backdrop for any occasion.

FULL VENUE HIRE

Inspired by the palatial villas of Lake Como, Signor Sassi boasts an expansive 10,000 sq ft. space that can accommodate up to 250 seated guests. It features an elegant dining room that gracefully opens up to reveal a sprawling garden where guests are invited to dine under the idyllic pergola with a view of the magnificent fountain.

At the forefront of Signor Sassi, a bar celebrates the elegance of the Art Deco era, leading guests into a dining room floor that exudes opulence with a quintessential Italian flair.

At the heart of the dining room, a flourishing olive tree stands tall and is surrounded by plush booth seating. The space is divided by six grand pillars featuring the same antique mirroring that be seen throughout. Lush foliage throughout the restaurant connects the dining room with the breathtaking Il Giardino di Sassi.
