PEDIGREE CERTIFICATES

INSPECTION

All registered sheep entered and forward at any Show and Sale must be inspected to ensure their tag numbers tally with the catalogue and that they comply with the Society's breed standard. Any sheep failed by the Inspectors will be removed and penned away from the registered sale section and identified by having red tape around one horn. No rejected sheep may be sold at an Official Show and Sale. Should there be any slight faults with older sheep that the Inspectors wish to pass, the vendor will be informed and told that the Auctioneer will announce the fault before the sheep is sold. Should the vendor refuse permission for this announcement, the sheep will fail its inspection. The Inspectors' decision will be final.

RULES RELATING TO THIS SHOW & SALE

- A vendor may only show 2 Sheep in each Class
- Pedigree Certificates of any sheep already registered must be attached to the Sale Entry Form
- Sheep to be shown to Jacob Sheep Society show regulations as per byelaws.

TAY-SACHS

The Jacob Sheep Society runs a scheme whereby sheep are voluntarily tested for a Tay-Sachs marker gene by LGC Laboratories.

Animals which have been DNA tested as Tay Sachs clear, have (TSC) added to their registration numbers.

Animals with two (TSC) parents have the annotation (~) added to their registration numbers, indicating that they are 'bred Tay Sachs Clear.'

Any sheep that is tested for Tay Sachs must have its status declared at Official Shows & Sales.

JACOB SHEEP SOCIETY

The Jacob Sheep Society, its officers, trustees and servants, shall not be held responsible for any accident, damage or loss however caused.

Anyone attending a sale or other event held by or on behalf of the Jacob Sheep Society shall indemnify the Society from and against all actions, suits, expenses and claims on account of or in respect of any such damage or injury which may be so caused.
