Whilst these animals have been on my holding:

1. I declare that the Farm Assurance details I have included on this form at the time of signing are true and correct. Failure to affix a sticker and complete the above information (as appropriate) will result in the animals being classed as non Farm Assured at the time of sale. It is the responsibility of the vendor to provide true and complete details regarding Farm Assurance. In the case of any Farm Assurance details provided by the vendor being incomplete or incorrect, the purchaser of the Lot(s) may at their discretion lodge a claim, in which case the vendor may be liable.
2. They have been kept to a standard of husbandry consistent with the DEFRA Code of Recommendation of the Welfare of Livestock.
3. I affirm that no substances (e.g. growth promoting hormones, anti-microbials or B-agonists) are used illegally in rearing or finishing cattle / sheep on this farm
4. I affirm that all feedstuffs for cattle / sheep which are mixed on this farm do not contain:-
 (a) any approved substances above the legally permitted maximum
 (b) any substances which are used illegally
5. I affirm that the withdrawal periods of veterinary medicines used in my cattle / sheep are observed before they are sold for slaughter or declared in the case of store livestock.
6. Livestock on the holding are not under movement restrictions for other animal disease or public health reasons (excluding a 6 day standstill).
7. They have been fed only normal foods.
8. Prior to loading for this market the vehicle transporting these animals has been cleansed and disinfected in accordance with current regulations.
9. To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.
10. No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.
11. I confirm that in the case of store cattle pre-movement TB Testing requirements have been observed and the animals in question have been passed for sale.
12. I affirm that these animals are not cloned or are the progeny of a cloned animal.
13. I/we accept that any interest received by the auctioneers via their HSBC account number 42894475 from monies derived from the sale of livestock between today's date and the date of settlement will be retained by McCartneys LLP to balance interest and bank charges charged to them.
