## ARRIVAL OF STOCK

Friday, 26<sup>th</sup> July – 5.00 pm to 7.00 pm

Saturday, 27<sup>th</sup> July – 6.00 am to 8.30 am

## PEDIGREE CERTIFICATES

Please note that entries in the catalogue are made on the understanding that sheep entered will be accompanied to the sale by their Pedigree Certificates. Any sheep presented for inspection without its certificate will not be allowed to be offered for sale in its class.

## INSPECTION

All registered sheep entered and forward at any Show and Sale must be inspected to ensure their tag numbers tally with the catalogue and that they comply with the Society's breed standard. Any sheep failed by the Inspectors will be removed and penned away from the registered sale section and identified by having red tape around one horn. No rejected sheep may be sold at an Official Show and Sale. Those sheep that pass the inspection but need an announcement from the auctioneer at the time of sale, e.g. an older sheep that is slightly sharp on its mouth, will have blue tape on their horn. Should the vendor refuse permission for this announcement, the sheep will fail its inspection. The Inspectors' decision will be final.
