 You will then be directed to your 'Dashboard' where you can see all your details and will receive an e-mail confirmation. IMPORTANT: Please make sure your leverage is 100. If it is not, follow the next step to change it.

## SNR

3. To change the leverage, click on the 3 dots next to your account number, and fill in the request. You will receive an e-mail confirmation once it has been changed. You can always check the leverage on your dashboard as indicated.
