

A guide for signing up on Tradeview Markets

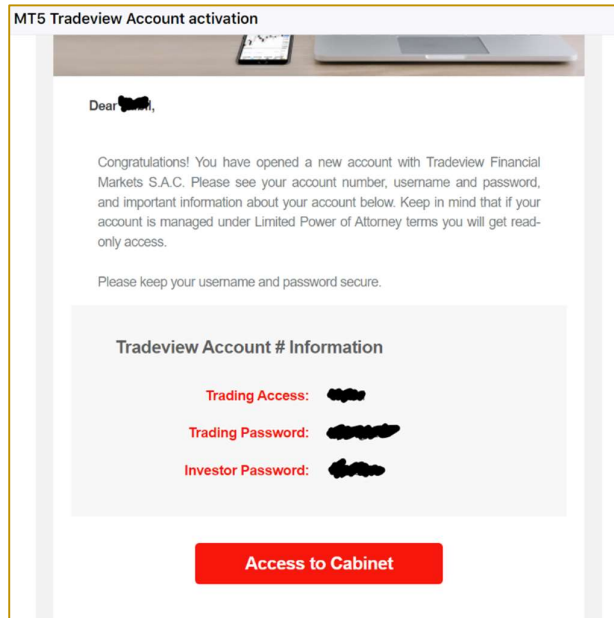

1. Choose 'Tradeview MT5 X Leverage' as the platform, and your preferred currency. Our bots trade in USD and will convert your deposit currency prior executing any trades.

The screenshot shows the 'Individual Agreement' page on the Tradeview Markets website. At the top, there are navigation links for 'About Us', 'IB Partnership', 'Market Resource', and 'Deposit', along with buttons for 'Open Account' and 'Demo Account'. The main heading is 'Individual Agreement'. Below this, there are two dropdown menus: '*Choose a Platform:' and '*Currency Type:'. The platform dropdown is open, showing a list of options under 'FX PLATFORMS' and 'EQUITY PLATFORMS'. 'Tradeview MT5 X Leverage' is highlighted in red. The form also includes sections for 'Primary Account Holder Information' with fields for 'Last Name', 'Place of Birth', 'Passport Expiration Date', 'Country', and 'Address'.

2. Fill in your personal details and trading experience. In the extra Information section, choose 'Speculation' as the purpose of the account, 'Self-Management' and add 'SNRobotiX' in the Introducing Broker field. You can choose 'Third party manager' as well, but this will trigger a manual Limited Power of Attorney (LPOA) to sign. We will send an automated one later in the process.

The screenshot shows the 'Extra Information' section of the registration form. It includes a dropdown for '*Volume of the anticipated deposits on an annual basis:' set to 'Please Select'. The '*Purpose for account:' dropdown is set to 'Speculation'. The '*Management of account:' section has three radio buttons: 'Self-management' (checked), 'Third party manager', and 'You act as professional manager'. The 'Introducing Broker' field contains 'SNRobotiX'. The '*Do you want to have referrals?' section has two radio buttons: 'Yes' and 'No' (checked). Below this is the 'Upload Files' section with a dropdown for '*Type of Doc:' set to 'Please Select' and a dropdown for '*Country of Issue:' set to 'Country of Issue:'. There is also a field for '*Proof of Address (Utility bill / bank statement)' with a 'Choose a file.....' button.

- Once your account has been confirmed, you will receive an e-mail with your MT5 Trading Account credentials.

- On your portal, please choose 'Banks' as a deposit option. **IMPORTANT**: Always check if the leverage on the left menu is set at 100. If not, please send a request to change it through the live chat or by contacting us on hello@snrobotix.com
