Stanford Estate Agents are pleased to be offering with no forward chain this always popular, three bedroom, semi detached home in Bishopstoke. Boasting a large front garden with potential for off road parking, secure rear garden backing onto allotments and a useful lean to with separate store within.

Accommodation on the ground floor consists of a large, lounge overlooking the front aspect and spanning over 12ft in both directions. A door leads to a useful, dining room and another door leads to the fully fitted kitchen. Many similar homes have created a larger, open plan kitchen/diner by knocking the rooms together. Currently the kitchen consists of a range of wall and base units with space for freestanding appliances. The spacious and versatile lean to is open to a range of uses and houses a large store within with both rooms benefitting further from power and light. A single door leads to the garden from the lean to. The first floor has three good sized bedrooms all serviced via a shower room. Bedroom two and three both have fitted wardrobes.

Externally the property sits back from the road and occupies an enviable location in our opinion by backing onto the allotments. At current a large, front lawn with mature shrubs and flower bed borders is in place and a patio path leading to the front door and rear gate. The rear garden is mostly laid to lawn, fully secured via panel enclosed fencing and is a blank canvas just waiting for the new owners to create their own vision.
