Geert Frans
Senior Surveyor
GeerT bv
Vijverstraat 3
8450 Bredene -Belgium

For more than 40 years I have been working in transport, logistics, training, and advice. All these years we have been assisting companies with their problems regarding Transport and logistics. Issues as CMR, Cargo securing, Weight distribution are part of the daily work.

Since a few years you can also meet us as Surveyor CMR, Cargo securing and road transport.

From many companies our services are called upon, Transport companies, shippers, insurance offices, lawyers and non-profit organizations call on knowledge and skills of our services.

In addition, I am a recognized EUMOS qualified Expert Transport and logistics CARGO SECURING.
