ADAPT BOARD

HELE SORTIMENTET

Som kontomedarbejder tilbringer du utallige timer ved dit skrivebord og computer. Hvorfor ikke gøre det ekstra mageligt, med et 100 procent personligt setup?

APTO ADAPT KOLLEKTIONEN består af en bagvæg, kabelbakke og akustisk væg (klasse b) i én, med tilhørende moduler, som du kan mikse og matche efter dine behov. Tankerne bag kollektionen er at skabe et smukt, funktionelt og strømlignet design, der er unikt for den enkelte person. Derfor er der tænkt over enhver detalje, lige fra de runde kanter omkring bagvægen, til kabeludtræk og en gnidningsfri måde at flytte rundt på modulerne.

Kollektionen kan kombineres passer med vores øvrige APTO kollektioner, for et ekstra personlig, funktionel og æstetisk arbejdsmiljø.
