# WEDDINGS AT THE CROWN

Spend your wedding day at our listed coaching inn, with a modern twist, set in the picturesque town of Woodstock on Blenheim Palace's doorstep.

The historic church of St Mary Magdalene and Woodstock's charming town hall are a few steps away, as are many other hotels, to accommodate additional guests. We work with a variety of talented local indies that can help with everything from flowers and live bands to stationery and photography, or if you'd rather find your own, we are happy to liaise with them too.
