45 min	World History II**	World History II**	World History II**	World History II**	World History II**

Example; exact courses and sequence are subject to change. *World Language options: French, Latin, Mandarin, and Spanish. **See back for further details.

Chemistry is really fun! The labs are really exciting! We are more mature and have more experience so we gain more trust with our teacher and she allows us to run the labs ourselves.

>Grade 7 Student

My kids are challenged by the curriculum and love the school. It is a culture where being smart is not just respected but celebrated, and the teachers are very driven to inspire students. After three years at the school, I am truly impressed by the caliber of the faculty.

2021-2022 History Sequence

The change for the 2020-2021 academic year affects students who will be in grade 7 and grade 8.

Making these changes will require a two-year roll out, with the academic year 2021-2022 having the finalized history sequence. Please see below for more details

YEAR 1: 2021-2022 SCHOOL YEAR
