

TODMORDEN LEARNING CENTRE AND COMMUNITY HUB

ACCESSABILITY GUIDE

AT A GLANCE

GETTING HERE

PUBLIC TRANSPORT

There are several accessible buses from Rochdale (590), Hebden/Halifax (590/591), Burnley/Cornholme/Portsmouth (592/591) to Todmorden Bus Station which is across the road from the college.

TRAVELLING BY TAXI

Street Cars/A2B, the local Taxi rank, is straight across from the college, they pick up and drop off directly outside the college, Call 01706 810555 or 01706 818525.

PARKING

At the College, there is 5 disabled parking spaces located to the right of the main entrance to allow those with limited mobility to park and access the main building easier.

There are also around 30 other parking spaces available.

ARRIVAL

MAIN ENTRANCE

Main entrance has a ramp next to the disabled parking spaces that allows for wheelchair users to park and gain easy access to the main entrance.

GETTING AROUND INSIDE

FLOOR ACCESS

All floors are accessible through the use of the lifts, allowing access to all of the rooms in the building.

ROOM ACCESS

All rooms accessible except Warm Desk Spaces are accessible to wheelchair users.

TOILETS

There are two disabled toilets accessible in the building, one is located on the first floor at the right end of the hallway, the other changing places toilet is located on the ground floor towards Inchfield (004).

GENERAL NAVIGATION OF THE BUILDING

Large text on signs for those who are visually impaired to allow for an easier time reading signs. Large corridors and doors provide adequate room for wheelchairs to comfortably traverse the building.

GROUND FLOOR

There are no stairs or inclines on the ground floor, so all rooms are easily accessible. There are also spare wheelchairs near the lift if they are required.

1ST FLOOR

The Warm Desks are not wheelchair accessible, only alternative options are standard rooms such as Withens to be used as office spaces. Room layout can be changed upon request to meet specific needs.

No stairs or inclines on first floor so easily navigable by wheelchair users.

2ND FLOOR

On the second floor, there is lift access and two stair lifts at either end of the hall.
