Team event: BOYS: teams of 3 players, a 4th player is allowed in the doubles,
System of play: 6 singles (and 1 doubles in the second stage if 3-3)

GIRLS: teams of 2 players, a 3rd player is allowed in the doubles,
System of play: 4 singles (and 1 doubles in the second round if 2-2)

The first stage is played in two rounds each in groups of 3 or 4 teams. The second stage is a KO-system with a losers round, each place awarded by a final duel. In this way each team will play 6 or 7 games.

Singles event: Separated series for the 10 different categories.
If there are enough entries, the first round will also be played in groups of 5 or 6 players. In the second stage all the players will be placed directly for the final draw in a knock-out-system. The results of the groups will be used to make the final draw.

NEW at the DIEHARDS-tournament :

Former participants who are no longer eligible to participate in the regular series due to their age can participate in the DIEHARDS tournament. Eligibility: Men and women - supervisors, coaches, and players - born in 2005 or earlier.

We are expanding this to two evenings: **Saturday evening SINGLES** and **Sunday evening DOUBLES**.

Please indicate "Elite" or "non-Elite" for the singles: if there are enough registrations, we will organize separate series. The same applies for the women, who can potentially play a separate tournament, and again if there are enough registrations.

The doubles team can consist of two women, two men, or a mixed team, all playing in one joint series.
