

Summary/Minutes of EGC Committee Meeting, 14 June 2022.

Present: Brian Taylor, Garry Gould, Ignacio Aguilar Sanchez (via webex), Vincent Regis, Anna Carmio (via webex), Reno Harbo Sorensen. Excused: Peter Behrmann, Helma Nollen.

Agenda.

1. Actions and matters arising from May meeting.
 2. Teams Day arrangements.
 3. Proposal for hole seven.
 4. Status website upgrade.
 5. AOB - Competitions, winners, presentations, prizes, reports.
-
1. Review of action items and matters arising:
 1. Returning to WHS handicaps as discussed at the last meeting;- given a handicap is meant to provide 'a level playing field', (fair to yourself if too low, fair to others if too high) and recalling the adage that a player is responsible for his/her handicap, all members are strongly encouraged to submit their score cards for all rounds outside the formal club competitions via Proware (mobile or computer) or the mobile Golf.nl app.
 2. Emails sent to members via info@EGCgolf.nl, should be 'signed' by the sender or organizer and carry their email address for reply.
 2. Teams Day arrangements.
 1. Supporters/Volunteers for the EGC activities are; Filippo Pinna, Joe Pereira, Clare Bingham, Ignacio Aguilar and Brian Taylor. GCN had been contacted by Brian to provide support but no response received yet.
 2. Anna has produced an excellent design for posters and flyers for display and hand-out.
 3. Activities will be restricted to the practice nets, chipping & putting practice areas.
 3. Proposal for hole seven..
 1. Following the visit of Alan Rijks and review of his suggestions, it was agreed to limit activities on hole 7 to the green. This follows anyway from the NGF rating exercise which identified the green as too small relative to hole length and a larger green would permit more pin positions.
 2. Funds from the SSCC are available to continue with course improvements in line with the long term plan as approved at previous AGMs and as exemplified by the new green of hole 9.
 3. Contact will be taken with the architect of hole 9 and with Hoek with respect to a new green 7 with a view to having the green playable early in summer 2023.
 4. Status website upgrade.

On going: Anna ran through the latest website updates which were well received.
 5. AOB.

Clarification on competitions: The winner of a competition gets name engraved on the trophy at years end; the winner is presented with the trophy after the competition (as well as at the Presentation Tournament Dinner); prizes are organized at the discretion of the organizer; the organizer shall write a report for the website news.
