 3. Website development and timescale.
 4. Competitions review and update.
 5. Sponsors and Sponsors Day.
 6. Course status, maintenance and future plans.
 7. High handicappers.
-
1. Review action items and matters arising:
 - ESTEC course now open from 14:00 on weekdays.
 - Presentation dinner held at Rozenstein Golf Club on 2 April with 27 attendees.
 - Dunhill cancelled for 2022, only 3 teams announced: Commonwealth, France, Germany.
 - Garage: storm damage repaired and structure now anchored to base. (Cost ~€1k). Under-door sealing still outstanding.
 2. Following the ExoMars decision, Garry will take over the Club Secretary function from Helma who remains Club Captain.
 3. Website:
 - Course status again visible.
 - Anna, Vincent and Brian to carry forward the website upgrade.
 4. Competitions Review:
 - Given the relaxation of certain ESTEC Covid-19 restrictions, we can revert to pre Covid-19 formats and times. Reno will publish the new 2022 Calendar (Issue 3) on the website shortly.
 - Brian noted that all events appearing on the Calendar were open to the membership with the exception of the one invitational event the 'Unusual Golf.'
 - Visitor access for Bedrijfs League matches (May, June, July) agreed, in principle, with ESTEC.
 5. Sponsors:
 - Following two blank years, Sponsors day will be held in mid-July (see new Calendar).
 - Arrangements with Sponsors to be re-established.
 6. Course status. With Peter now back in circulation, a date for an early coordination meeting with Hoek and the site services contractor will be made.
 7. High-handicappers, beginners, etc.
 - The Club will again implement the 'Golf Experience', trialled very successfully in 2019, to cater for our high-handicappers through the summer months on a fortnightly basis and after working hours.
 - Perhaps a ladder competition for high handicappers?
 - We look forward to the possibility of a membership promotion event.
