

Summary/Minutes of EGC Committee Meeting, 5 July 2022.

Present: Brian Taylor, Garry Gould, Ignacio Aguilar Sanchez, Peter Behrmann, Reno Harbo Sorensen; via WebEx: Anna Carmio, Helma Nollen, Vincent Regis,

1. Teams Day.

See report on EGC website news. 100 persons attended the 'Golf Clinic'. A follow-up email has been sent to all those with information on joining the club.

2. Golf pro status and GCN.

The 'Starting with Golf' section of the EGC website will lead directly to Golf Centrum Noordwijk (for starter lessons, NGF exam, baanpermissie etc.). Since Jan Hansen is interested to continue giving lessons, at least in the short term, this will be noted therein. The link 'Club Professional' is to be dropped.

It was recalled that all players (EGC members & guests) must have baanpermissie to play on the ESTEC course. How the club approaches the question of new starters (NGF exam, baanpermissie etc.) will be reviewed.

3. Action plan for green seven renewal.

Following the committee's rejection of the proposal by Alan Rijks (the original architect of the course) to shorten the hole and revamp green seven, Aart Bergsma of the Bureau de Klare Lijn (the architect who designed the new ninth green), has been contacted. It is anticipated that Hoek will undertake the on-course work.

4. Sponsors Day arrangements.

Sponsors Day will be held on Saturday 16 July with a shotgun start at 13:00. Hoek have been contacted regarding entering a team but no response received - yet.

The EGC will fund the pre-golf drinks and also drinks & snacks after the event.

5. Review of activities in August & September.

- the EOGTT will not be played this year.
- the Club Championship will be organized in 3 rounds held on Saturday and Sunday 10 and 11 September, with the Walker Cup on the Saturday.
- Captains Day will be held on Sunday 28 August at ESTEC.
- an A3 copy of the competition calendar will be placed in the Check-Inn.

AOB.

- Golf Experience: Participation was down to ~50% compared with 2019 (pre-Covid).
- the 'Unusual Golf' competition is set for Thursday 21 July (evening/shotgun start with course closure).
- the warning signs at the access points to the course will be checked & SSCC informed.
- it has been confirmed with SSCC that the club may request site access for guests for an event such as a tournament. If a member wishes to bring guest/s onsite to play golf 'socially' then they should firstly check with ESTEC Security as rules may differ depending on the type of badge held (as an example, ESTEC Staff members may bring in a total of 10 guests per year).
