

Welcome.

Forward:- Exciting times ahead, especially for the two new joint editors of this your monthly newsletter. Keith (Lakin) and Ken (Oliver) who will work together and hope to bring you all the latest information and relevant stories that will be of interest to you as a member.

Our aim therefore is to keep you well informed of all activities within the club and when our events are scheduled.

First things first, all our thanks must go to Paul (Gough) and his wife Mel for their endeavours over the previous years in producing the newsletter on behalf of the CCC.

As members I hope you agree it would be remiss of us not to do so.

The format of the newsletter will by enlarge remain similar to that produced previously, however we hope to include some new content so continue to read on and by all means let us know if you have anything you wish contribute, funny or otherwise and if you feel in the mood take some time out and inform us about your car related history, photographs, videos and adventures that you think would be of interest to our fellow members.

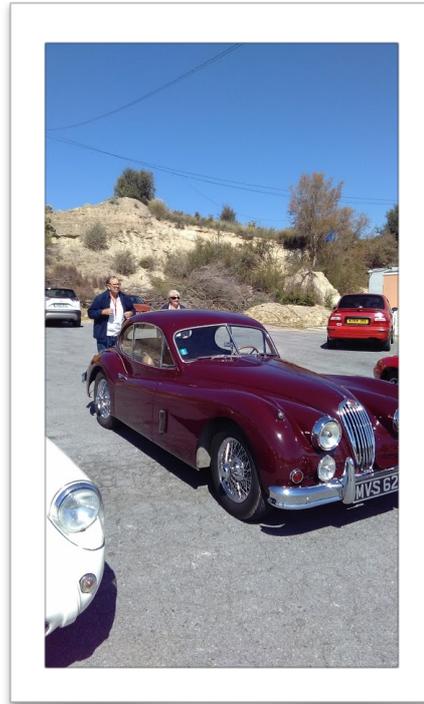

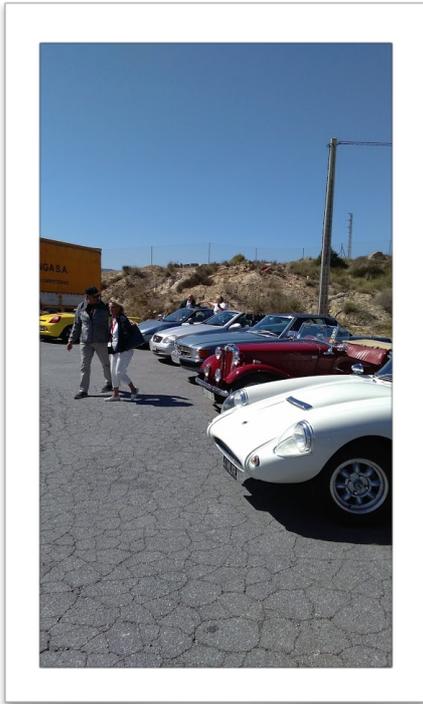

I have taken the liberty of adorning this month's newsletter with some photographs taken during my recent trip back to the UK. You will see a collection of cars at the end of the newsletter, these have been photographed on a friend's drive located at Wendover in Buckinghamshire. See if you can name the make and model and have a guess at their individual year of registration. There may be a small prize at the next meeting if you can guess correctly.

Thanks

Club Events.

MARCH - Thanks go to Allan and Brenda (Marley) for organising the March run in which 37 members and guests attended. The venue proved to be welcoming and therefore was a success.

The **April** run is organised for the **25th** by Bill & Sylvia (Geldeard). It will commence from Bar La Venta la Comprade at 10:0am. On the N340A, at Tabernas. Looking forward to seeing you there !!

The **May** run is organised for the **15th** by Peter & Karen (Underwood). The venue details will be made available shortly but is proposed for the Albox area.

Other events

The annual CCC away weekend has been organised once again by Malcolm and Jean Smallwood **2nd to 6th June** and well patronised by members and guests. ACC have numerous people attending who are looking forward to a great weekend.

On that topic, Keith would like to inform members of the ACC that the members of the Phoenix car club located in Torre Vieja, have invited them at Mojacar on the **8th & 9th of May**, down on the sea front, as part of their weekend away adventure. Keith will notify members of final location and timings in the coming day.

On Sunday **16th June** it is proposed that members show a nominated number of cars at the Zurgena British Legion summer charity fair to be held at the Old Station in Alfoquia.

Some sad news:- Members who were fiends or associates of Brian Pilley a past member of the club, are invited to attend his wake on the 18th April. Anyone wishing to attend can obtain details from our Membership secretary Alan Foreman.

Quick Quiz.

Fill in the missing vowels to complete the 29 manufacturer names of the following vehicles.

Answers to me (Ken) via email and the prize to be handed out at the next club meeting will be on a first come first served basis.

Fancy That. Children in the back seats of cars can cause accidents. Accidents in the back seats of cars can cause children.

I didn't know I was such a bad driver until my Sat-Nav told me to stop at the next convenient place 400yards on the left, to let it get out of the car.

Events in Photos.

This was taken by Keith and Sue (Lakin) on the previous run, during the well earned coffee stop.

Were you Aware?? Hours after Pearl Harbour was bombed on December 7, 1941, the Secret Service found themselves in a bind. President Franklin D. Roosevelt was to give his Day of Infamy speech to Congress on Monday, and although the trip from the White House to Capitol Hill was short, agents weren't sure how to transport him safely. At the time, Federal Law prohibited buying any cars that cost more than \$750, so they would have to get clearance from Congress and there was no time for that. One of the Secret Service members, however, discovered that the US Treasury had seized the bulletproof car that mobster Al Capone owned when he was sent to jail in 1931. They cleaned it, made sure it was running perfectly and had it ready for the President the next day. Al Capone's 1928 Cadillac V-8 "Al Capone" Town Sedan became the President's Limo in December 1941.

In July 2012 it sold for \$341,000 dollars. Now that's a fact !!!

Classics in Wendover-Remember I request make, model and year of manufacture.
