INDEX No 11

Date.

Hi All,

Sorry about the short notice but we managed to check the run yesterday and due to the restaurant we had chosen being unable to do a Menu on Sunday we have made the run Saturday .

Sorry to those that could only make Sunday.

Please gather at 10.00 am for coffee to then start at 10.30 at Bar TAHITI in Almendricos which is off the MU620 between Pulpi and Lorca. when you enter Almendricos from that direction It 's in the road on the left by the first Traffic lights, we will put a car on the Road Just before the turning because the sign is not too clear.

The route takes us through to Altobordo and then to Mesilla and then we use part of an Annual Hill Climb road through the mountains and on to Morata, where we stop for coffee at Bar Sanches next to the Church in the village.

From Morata we go through Atalaya and Leiva and on to Mazarron Port where we have arranged lunch at Viggos in the Port itself.

On arriving in Mazarron Puerto pass through the town to the second roundabout go straight on and shortly after turn right, by La Caixa bank, then immediately right, at the end of the road go straight on at the traffic lights and left into the underground car park, walk out of the car park on to the Plaza above and bear right when facing the marina. Viggos is the first restaurant you come to and has a large Tent / Marquee where we will eat.

The Menu is four courses and includes coffee or sweet and one drink cost €9 per person , extremely good value, good food and a very nice outlook.

To go home, on leaving the port area we followed the N332 which takes you back towards Aguilas and Lorca . This is also a very scenic trip through mountains.

Can I please have confirmation, by Friday 6pm from those that wish to come so that we can advise the restaurant , how many to expect.
