to be true and correct

Rapperswil January 29, 2021

STAMP / Signature / Ernest Spirig

This document is supplied as an electronic PDF file.
No signature / No stamp.

Spirig has carefully collected the available raw material data used for the assembly and production of the Celsi® labels. The validity of this declaration also depends on the data supplied to and received by Spirig's Swiss Tech Headquarter. The data have been cross checked by Spirig as far as possible. Spirig considers the collected data as reliable and dependable.
