

# argus<sup>®</sup>

thermal imaging from e2v

## Argus<sup>®</sup> TT / P -Type: Video Pack - ARG\_TTP\_IV

### Introduction

The image and video capture pack is enabled via a token. Simply scratch off the back panel to reveal a code which can be used to redeem the imaging and video software upgrade.

The image and video capture pack enables the upgrade of the camera with the image and video functionality.

Simply connect the camera to a PC, navigate to the upgrade page indicated and enter your details, the camera details and the token number (under the scratch panel) on the back of the token.
