Note and Comments from the treasurer to AIMA Finances Verification Committee
Report on AIMA 2023 finances

During the year 2023, we have registered 40 individuals members (versus 35 in 2022) and 15 institutional (versus 21 in 2022) total 55 members, originating from 16 countries. More details on countries, members, evolution, have been displayed during each of the the EC meetings.

The Expenses :

Two mains expenses this past year :

A participation of 3000 euros was voted by Executive Committee on aug 10 to help CIMA 2023 congress in India.

An expense of 357 euros for a designer in Germany to produce the 4 posters for our distancial zoom conferences on technical topics .

AIMA collected the international registration fees (6 persons, 2400 euros) for the 2023 Congress in India to help bank transfers and retransferred to India organizer.

Paypal charges paid year 2023 for a total of 138.70 euros, plus 27 euros for some bank transfers or fees collection. Treasurer negotiated no annual bank charges .

The Revenue

Membership fees : all collected during 2023 but are concerning sometimes different passed years : 1140 euros (versus 1130 for 2022).

One donation of 10 euros .

The Result is negative this year 2023 for - 2380.70 euros due to congress participation. The bank account stays safe with 3478.73 euros on 31 dec 2023.

The Finances Committee has to be informed that our PAYPAL account is under a second security survey to control identity of different AIMA responsables, which takes weeks to collect and to produce. Paypal always collects registrations but treasurer cannot transfer the money from Paypal AIMA account to AIMA bank account since early december 2023. The AIMA Executive Committee is regularly informed of this position (*).

The AIMA treasurer,
Pierre Del Porto
