GRANTS FOR YOUNG RESEARCHERS

to

Forum Acusticum FA2020

EAA will support with grants the participation of 10 young researchers and students from European Countries in this Congress.

The grant consists in a free registration. To apply for these grants, young researchers must be:

- a) a member of a National Society of the EAA
- b) enrolled to a university course (Bachelor, Master, PhD) or already possessing a Master or a PhD degree
- c) no more than 30 years old on 01.01.2020
- d) first author of the paper that will be presented at FA 2020
- e) sent abstract to organizers before **1st December, 2019** (abstracts sent after that date will not be accepted)

In parallel, they have to send their application in electronic form to the General Secretary of EAA secretary@euracoustics.org before **1st December, 2019**

The application must include the following documents (in pdf format):

- a) university enrolment certificate (for Master or PhD students) OR copy of the University degree (for other young researchers)
- b) copy of Membership in a National Society of the EAA
- c) birth and citizenship certificate or a passport copy
- d) short curriculum vitae with list of publications
- e) letter of support from the supervisor
- f) abstract of the paper submitted to FA2020 + one page of theory/experiments/results/conclusion.

The Board of the European Acoustics Association, on the basis of the applications received, will publish a list of winners of the grants before **8th February 2020** on the EAA web site <https://euracoustics.org/> and will inform the winners accordingly.

The winners are invited to present the contribution either in oral or in poster form at the Congress.
