

Quality Policy Statement

It is the policy of Alba LLC to operate a quality management system in accordance with ISO 9001 : 2000.

Our aim is to focus, continually meet and exceed the quality and cost requirements of our customers and maintain the drive for continual improvement.

The management will demonstrate full commitment by ensuring all employees are instrumental in the construction, compliance, suitability and continual improvement of the quality management system and policy.

Alba's systems will be continually monitored through Management Reviews to ensure that our objectives are being achieved with regards to quality.
