

THE MYSTERIES OF ALLERGIES AND SKIN CARE

Summer means sun – hopefully lots of sun. Sun means sunscreen and protecting yourself and your childrens skin.

But how much?
What kind?
What about SPF?
And UVB?
UVA?
How often?

Get all the answers from toxicologist Ewa Daniél from AllergyCertified.

You are also welcome to bring the cosmetic products you use at home either for yourself or your children.
Ewa will have a quick look at them and give you feedback whether they contain allergenic ingredients or not.

Kindly let us know if you can come by sending a mail to birgitte@purenordic.nl

There will be free coffee, croissants and a skin friendly sunscreen product.

The logo for Derma, featuring the word "Derma" in a serif font with a stylized purple and blue circular graphic behind the letters.
