

American Veterans Vote CODE OF CONDUCT

THE VOTER

*THE SOURCE OF OUR STRENGTH, THE REASON FOR OUR EXISTENCE, AND
THE JUDGE OF OUR SUCCESS*

I support or Affirm that:

I am an **American Veteran**, continuing to lawfully honor my oath of allegiance to the Constitution of the United States, the US Flag and to the Republic for which they stand.

I **will never forget** the sacrifices of those who came before me. I will never do anything to bring dishonor to them, my fellow Veterans or their service to the nation.

I will always treat others with **dignity and respect**, honoring the unique contributions that they bring to the strength of our nation.

I will be informed, I **will vote**, and I will encourage others to engage in the civic life of their community in order to preserve our Constitutional Republic.

I will continue to place **service** to my country, loyalty to my organization and duty to the mission **over myself** and my ambitions.

I will never forget that I **am an American Veteran**, responsible for my actions, and dedicated to the principles and institutions which made my country free. I will trust in my God and in the United States of America.

I have read and agree to abide by the American Veterans Vote Code of Conduct while acting on behalf of the organization.
