

## American Veterans Vote

### CODE OF CONDUCT

#### THE VOTER

THE SOURCE OF OUR STRENGTH,  
THE REASON FOR OUR EXISTENCE, AND  
THE JUDGE OF OUR SUCCESS

I am an **American Veteran or Veteran Supporter** continuing to lawfully honor my allegiance to the Constitution of the United States, the US Flag, and the Republic for which they stand.

I **will never forget** the sacrifices of those who came before me. I will never do anything to bring dishonor to them, my fellow Veterans, or their service to the nation.

I will always treat others with **dignity and respect**, honoring the unique contributions that they bring to the strength of our nation.

I will be informed; I **will vote**; and I will encourage others to engage in the civic life of their community to preserve our Constitutional Republic.

I will never forget that I **am an American Veteran or Veteran Supporter** responsible for my actions and dedicated to the principles and institutions which made my country free.

I will trust in my God and in the United States of America.
