Daglicht (Gedicht: Herberg
"1994")
Daglicht
Die kluis van lakaria en
verdundel opstaand,
gordijnen open, de radio aan,
was plechtig Scaratti liet
helder te verstaan.
Nu alles is zoals het is
geworden,
nu alles is zoals het is,
komt het, hoewel, misschien,
hoewel, ten slotte nog in orde.
(Interpretatie te Brugge, mei
2020)
