HOME CARE SERVICES

ABOUT COMPANY

Inspired by her own personal journey of caring for her ageing parents, Appiah Angela established Andrusida Care Limited, a place where hearts meet expertise and a company that redefines the meaning of home care. Andrusida Care focuses on recruiting skilled and empathetic professionals who not only possess the necessary expertise but also radiate kindness and understanding.

Andrusida Care comprises a team of compassionate individuals who share Angela's passion for making a difference in the lives of others. A team that believes that every individual, regardless of age or ability, deserves to receive exceptional care

Andrusida Care stands tall, a testament to the power of empathy and a commitment to enhancing lives. From humble beginnings to a cherished establishment, it is a shining example of how a heartfelt vision, paired with unwavering dedication, can transform the world, one home at a time.

VISION

Andrusida Care has the vision to exceed clients expectations and build our service users confidence in the high-level quality of care and services on offer. To become the most reliable service provider across the Midlands, Northern parts of England, London, the Southeast, and Kent. And to make Andrusida Care Ltd. the service of choice.

MISSION

To be a service provider that is dedicated to delivering cost-effective, efficient, friendly, flexible, and person-centred services, taking responsibility and remaining accountable, promoting choice, privacy, dignity, and respect

LIVE IN CARE

We realise the necessity of delivering compassionate and competent care services to people in need at Andrusida Care Limited. With our amazing Live-in Care services, we stand out as a trustworthy and dependable option for anyone looking for high-quality care for their loved ones.

Unparalleled Personalised Care

Andrusida Care Limited takes pride in providing personalised care plans that are tailored to each individual's specific requirements and preferences. Unlike typical care facilities, our Live-in Care services are available 24 hours a day, seven days a week, ensuring that your loved ones get focused care and attention whenever they need it. Our personalised approach to care encourages comfort, freedom, and an overall higher quality of life.

DOMICILIARY CARE

Andrusida Care Limited is firmly devoted to delivering superior domiciliary care services that meet the distinctive requirements of people in their own homes. Andrusida Care Limited provides a comprehensive variety of services that prioritise their customers' well-being and independence with a dedication to compassion, professionalism, and creativity.

Carers Who Are Both Qualified And Compassionate

The committed staff of carers at Andrusida Care Limited is at the core of its success. The organisation carefully chooses and educates experts who have the skills, expertise, and compassionate attitude required to offer great care.

Our carers are subjected to thorough background checks and continuing training to ensure that they are up to speed on the latest industry practises. We guarantee that you get dependable, competent, and compassionate care from experts who actually care about your well-being by maintaining a high standard for our carers.

RESPIRE CARE

Our respite Care services provide a lifeline for both carers and care users in a world where time is a valuable commodity and caring for loved ones may be burdensome. Primary carers may attain a peaceful work-life balance, cultivate their own well-being, and offer compassionate, complete care to their loved ones.

Carers' Relief:

Caring for a loved one may be mentally and physically draining. Many carers suffer from burnout, ignoring their own health in the process. Andrusida Care Limited provides carers with respite care, enabling them to relax, refuel, and respond to their own needs. Primary carers may enjoy less stress, greater mental health, and an increased general quality of life by committing their loved one's care to us.

COMPLEX CARE

Andrusida Care Limited recognises the particular obstacles that people who need complex care confront. Andrusida Care Limited strives to be a leading provider in the sector through a dedication to quality and a caring approach.

Unmatched Expertise

Andrusida Care Limited is proud of its highly experienced team of experts who have considerable knowledge and expertise in complex care. We recruit professionals with specialised expertise in a variety of medical fields, from registered nurses to therapists and support personnel. This variety of expertise guarantees that you get the best care possible, customised to your unique requirements.

NIGHT CARE

Andrusida Care Limited is a specialist supplier of night care services for people who need support. Andrusida Care Limited is an excellent option for trustworthy and compassionate night care services due to our dedication to great care, competent employees, and focus on personalised care.

Unrivalled Commitment To Caring:

Our night care services are intended to assure your or your loved one's comfort, safety, and well-being throughout the night. Andrusida Care Limited's expert carers are trained to meet a variety of requirements, including medication administration, mobility help, change of sleeping position, and condition management. By selecting Andrusida Care Limited, you can be certain that you or your loved ones will get attentive and caring care, enabling them to sleep well.
