

Healthcare Staffing Solutions

ABOUT COMPANY

Inspired by her own personal journey of caring for her ageing parents, Appiah Angela established Andrusida Care Limited, a place where hearts meet expertise and a company that redefines the meaning of home care. Andrusida Care focuses on recruiting skilled and empathetic professionals who not only possess the necessary expertise but also radiate kindness and understanding.

Andrusida Care comprises a team of compassionate individuals who share Angela's passion for making a difference in the lives of others. A team that believes that every individual, regardless of age or ability, deserves to receive exceptional care

Andrusida Care stands tall, a testament to the power of empathy and a commitment to enhancing lives. From humble beginnings to a cherished establishment, it is a shining example of how a heartfelt vision, paired with unwavering dedication, can transform the world, one home at a time.

VISION

Andrusida Care has the vision to exceed clients expectations and build our service users confidence in the high-level quality of care and services on offer. To become the most reliable service provider across the Midlands, Northern parts of England, London, the Southeast, and Kent. And to make Andrusida Care Ltd. the service of choice.

MISSION

To be a service provider that is dedicated to delivering cost-effective, efficient, friendly, flexible, and person-centred services, taking responsibility and remaining accountable, promoting choice, privacy, dignity, and respect

YOUR SOURCE FOR SKILLED STAFFING

Finding the appropriate professionals to satisfy the needs of various healthcare facilities can be challenging in the ever-changing healthcare industry.

TEMPORARY STAFFING

Andrusida Care Limited recognises that healthcare organisations are frequently confronted with unforeseen challenges requiring immediate staffing solutions. Therefore, they provide a variety of temporary staffing services to meet their clients' short-term requirements.

Andrusida Care Limited identifies and recruits highly competent healthcare professionals, including nurses, physicians, allied health professionals, and administrative staff, through a rigorous screening procedure. These professionals are prepared to provide seamless care, ensuring continuity and quality during staff shortages, seasonal fluctuations, and unplanned absences.

Andrusida Care Limited does more than simply connect personnel with job openings. We take the time to understand the specific needs of each healthcare facility, customising our temporary staffing solutions to meet the needs of our clients.

Andrusida Care Limited ensures that their clients receive dependable and timely temporary staffing support by maintaining a pool of qualified professionals and implementing efficient scheduling systems.

PERMANENT STAFFING

It is crucial for the long-term success of any healthcare organisation to assemble a solid, cohesive group of permanent healthcare professionals. Andrusida Care Limited acknowledges this fact and provides comprehensive permanent staffing solutions.

We collaborate closely with healthcare facilities to determine their staffing requirements, talent demands, and organisational culture. Using a vast network of highly qualified candidates, we conduct a meticulous selection process to identify professionals who possess the appropriate expertise, experience, and values to correlate with their clients' organisations.

The quality commitment of Andrusida Care Limited extends to our permanent staffing services. We recognise the significance of long-term retention and job satisfaction for both healthcare professionals and the companies they serve.

Andrusida Care Limited helps healthcare facilities create a team of committed professionals who are invested in the organisation's mission and objectives by facilitating a seamless and efficient recruitment process and providing ongoing support and direction.
