### ABOUT THE EVENT:

You get 2 cinema sessions for the price of one entry fee. BEERS AND FEARS will present a selection of independent short and feature films from around the world. There will be mystery, comedy, thrillers, violence and blood. –

You like Zombies? ... Got 'em! ... You like Vampires? ... We got them too!

So, we've dealt with the fears, what about the beers? Well, that is up to you. We're not suggesting you shouldn't have a cocktail if that is your poison. But, BEERS & FEARS rhyme and belong together like Peter Cushing and Christopher Lee.

BEERS & FEARS is about grass-roots independent filmmaking, and it is great to see what can be made with such limited budgets. We want you to celebrate with us the crack of bone, spill of blood and where is horror without humour?

We are always looking out for up-and-coming independent filmmakers who have a passion and love for this genre. The aim is to bring independent filmmaking to the COLOSSEUM BERLIN and to would give us a great deal of joy to scare the crap out of you.

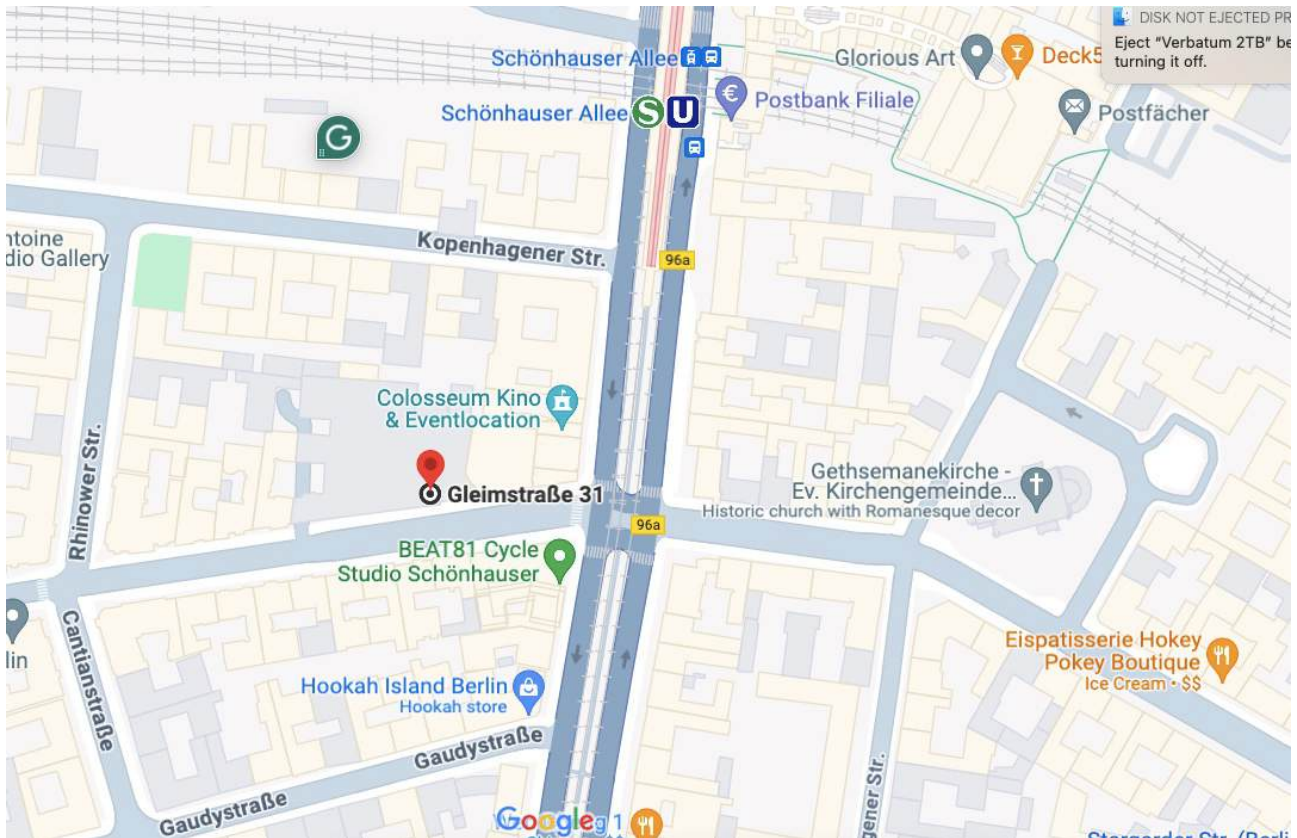

The evening is hosted by Anthony Straeger, Independent Filmmaker and Founder of the Berlin Sci-fi Film Festival & Haunted House FearFest. With decades in the film industry and an enthusiasm for creativity, he will guide you through the films on show.
