For selected, larger, corporate clients we offer corporate quotes, together with consumption planning and stock management. Pricing for this service is directly linked to economies of scale and mutual commitment.

Paper Print

The revolution in full-colour printing technology offers the customer Value, stunning Quality and Speed. Computer To Plate (CTP) imaging technology is used in our modern printing processes. With this technology, we produce an image created in Desktop Publishing (DTP) application directly to a printing plate.

With an experienced factory team, we produce a wide range of: Business Stationery, Promotional Materials, Magazines, Calendars, Annual Reports, Computer Stationery, Mailers, Catalogues, Brochures, Flyers, Folders, Labels and Artworks...

Signage

Under our Signs department we offer a variety of special customized printing and signage services.

We have a team of professionals well trained for vehicle branding, 3D and cutout signage as well as customized fabric printing on all sorts of material.

CORPORATE GIFTS

Through out the years we get to create and produce corporate gifts or branded gifts for businesses and individuals. As one of the largest printing companies in the country we aim to provide our clientele with the best quality printed materials for their customised gifts.

Document Management

We have a commercial document storage facility on Leopards Hill Road where we physically store and manage clients' documents using dedicated software supported as a franchise from Iron Mountain, South Africa. We also provide electronic scanning of documents & Client-site document control solutions.
