BREAKING: APPLE COLLECTIVE NEEDS YOU!

APPLE Collective's campaign is out of this world!

Join the APPLE Collective's campaign and be a shining star that helps to end UK poverty! The APPLE Collective are spotlighting all of the fantastic work to address poverty with **lived experience** taking place for The International Day to End Poverty on October 17th 2023.

October 17th is the International Day to End Poverty. The UN set it up to get people talking about poverty and figuring out ways to put an end to it. It's a day to remind us all that we need to work on making things more fair and sustainable for everyone.

Let's orbit around poverty and light up the UK map with APPLE Collective's campaign!

WANT TO GET INVOLVED?

Whether you are hosting an event in your local community, holding a minute silence for lives lost or supporting the International Day to End Poverty on your social media accounts, we'd love to showcase the work you are doing to address poverty as part of our "Light Up the UK Map" campaign.

To get involved, fill out the APPLE Collective online form with a brief description of how you will be getting involved (i.e an event or supporting online), as well as any promotion material.
