Inclusion

We have finally included 400 patients in the ASAC trial!!!

Our goal is that every site includes 2-3 patients per month to reach a final endpoint within 2026. Please do not miss any patients with CRCLM that is eligible for inclusion.

Do not hesitate to contact us if you have any questions regarding patient inclusion or completion of eCRF in VieDoc!

Study medication

New batches of the study medication have been ordered from ClinStorage, and will be shipped to all sites as soon.

Please note that the expiry date on the study medication you already have is March 31th 2022.

Make sure that you do not dispense study medication that expires before the patient is able to use them.

We wish you all happy Easter holidays. Stay healthy and safe!
